BULLETIN OF THE KOREAN MATHEMATICAL SOCIETY
大韓數學會報

This journal endeavors to publish significant research of broad interests in pure and applied mathematics. One volume is published each year, and each volume consists of six issues (January, March, May, July, September, November).

Editorial Policy

To be published in the *Bulletin*, a paper must be correct, new, nontrivial, and significant.

Submission of Manuscripts

See **Information for Authors** at the end of this issue.

Copyright

A Copyright Transfer Agreement is required before the publication of a paper in this journal. The submission of a paper implies the author's assurance that it has not been copyrighted, published, or submitted for publication elsewhere.

Subscriptions

The subscription price is US\$80 per year to individuals and US\$140 per year to institutions. Members of the KMS receive exclusive discount on annual subscriptions to KMS journals. Correspondence regarding subscriptions, membership, and notices of change of address should be sent to:

The Korean Mathematical Society, The Korea Science and Technology Center 202,
22, 7Gil, Teheran-ro, Gangnam-gu, Seoul 135-703, Korea
E-mail: kms@kms.or.kr

Reciprocal Membership Agreements

The KMS has reciprocal membership agreements with the American Mathematical Society, Indian Mathematical Society, Mathematical Society of Japan, the Royal Spanish Mathematical Society, and Société Mathématique France. Any member of those societies may join the KMS at half of the current rate.

Publications of the Society

The KMS publishes three research periodicals, the Journal, the Bulletin, and the Communications. The Journal and Bulletin are published bimonthly and the Communications is published quarterly.

Indexing and Abstracting Services

Articles published in this journal are indexed or abstracted in ISI Alerting Services®, Mathematical Reviews, Science Citation Index-Expanded® and Zentralblatt für Mathematik.
